To Whom It May Concern:

We are applying for a beer license for Heartland Entertainment located at 262 N. Cambell Street in Rapid City.

As requested, I am supplying the following information on our facility:

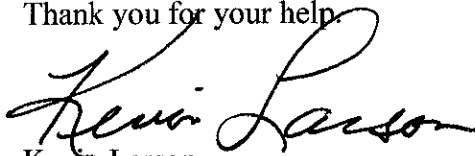

\*Our building is tan in color and the exterior material is concrete block.

\*Our dumpsters are surrounded by block on three sides with solid metal doors on the front. (Please refer to attached pictures.) The block enclosure is also tan in color. Dumpster area is 5.5 feet high, 19 feet wide and 8 feet deep.

\*The business that is also in our complex is Dan's Custom Cabinets. They build cabinets for kitchens, offices, etc.

\*We have a food court in our facility that offers a small menu of items such as hot dogs, 6" mini pizzas and hot wings that we can steam or microwave. We also have nachos, chips, candy, ice cream novelties and fountain soft drinks.

Thank you for your help.
