Ladies and Gentlemen:

The Daisy House is a non-profit adult day center located in Rapid City. We are affiliated with the non-profit agency, South Dakota Cares, Inc. in Pierre, SD.

We request permission to erect two 8'x10' pop-up tents at the north end of the Storybook Island park, near the parking lot. This would allow us to use the bike path from 10 am to noon on October 4, 2008 for a charitable benefit walk.

Since this is the first "Movers and Sneakers" walk, we estimate that the event will generate 100-150 walkers. The registration will be at the tent area, and walkers will be encouraged to follow the bike path from the tent area, along the sidewalk, turning left onto the bike path. Because this is not a distance walk, people will be encouraged to walk for minutes and exercise. They will be able to turn around at any point and return to the tents to register their time and pick up their t-shirts.

If there are any further questions, please feel free to call me at 348-6459.

Sincerely,

Lynn Von Wald
Director of Education
