City of Rapid City Planning and Zoning
Rapid city, SD 57701

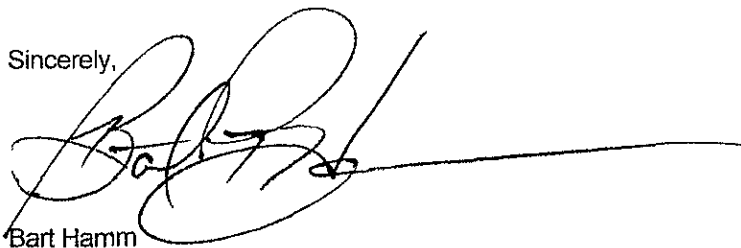

Dear Sir or Madam:

I would like to request a conditional use permit and, or a building permit. To build a garage on my property at 4763 Vista hills drive, Rapid City, SD 57702.

The reason for this extra garage is to have more room for all of my personal trailers, Bikes, Boats and other personal items that I have. I also at this time have 3 Drivers in our family with cars and am planning to have 1 more with in the next 2 years diving. So that means a total of 4 Cars. My existing 3 car garage is just not big enough for the Items that we have. I would like to be able to keep all of my stuff indoors and out of the weather, and to have them in a place out of site of the public. I believe in having a very neat and tidy neighborhood, with out having the clutter of lots of personal property just sitting around in the out doors.

If there are any further questions or concerns, Please contact me at 605-341-8599

Sincerely,

A handwritten signature in black ink, appearing to read 'Bart Hamm', followed by a long horizontal line extending to the right.
