

Swings

Swings

When it comes to swings, Miracle has an incredible selection of swings to choose from.

With more than one hundred different choices and constructed with 2-3/8" or 3-1/2" OD Top Rails, Miracle Recreation can provide swings to meet your unique playground durability, space and budget needs. Swings are perennially one of Miracle's most endearing and enduring attractions. Our two-seat and four-seat options are among the most popular. For larger playgrounds, the six-seat and eight-seat configurations handle the demand—with classic designs and compliance with industry standards. Visit our website at www.miracle-recreation.com/catalog for more information.
