

# LANDSCAPING PLAN

- CONTRACTOR NOTES**
- The contractor shall maintain a log of all work performed during the project.
  - After the construction, the contractor shall be responsible for watering and maintaining the landscape until the plants are established. The contractor shall provide a watering schedule to the client.
  - The site plan for the project shall be in accordance with the zoning ordinance.
  - The contractor shall provide a list of all plants used in the landscape plan.
  - The contractor shall provide a list of all materials used in the landscape plan.
  - The contractor shall provide a list of all labor used in the landscape plan.
  - The contractor shall provide a list of all equipment used in the landscape plan.
  - The contractor shall provide a list of all subcontractors used in the landscape plan.
  - The contractor shall provide a list of all permits used in the landscape plan.
  - The contractor shall provide a list of all inspections used in the landscape plan.
  - The contractor shall provide a list of all other documents used in the landscape plan.

- The contractor shall provide a list of all plants used in the landscape plan.
- The contractor shall provide a list of all materials used in the landscape plan.
- The contractor shall provide a list of all labor used in the landscape plan.
- The contractor shall provide a list of all equipment used in the landscape plan.
- The contractor shall provide a list of all subcontractors used in the landscape plan.
- The contractor shall provide a list of all permits used in the landscape plan.
- The contractor shall provide a list of all inspections used in the landscape plan.
- The contractor shall provide a list of all other documents used in the landscape plan.
- The contractor shall provide a list of all plants used in the landscape plan.
- The contractor shall provide a list of all materials used in the landscape plan.
- The contractor shall provide a list of all labor used in the landscape plan.
- The contractor shall provide a list of all equipment used in the landscape plan.
- The contractor shall provide a list of all subcontractors used in the landscape plan.
- The contractor shall provide a list of all permits used in the landscape plan.
- The contractor shall provide a list of all inspections used in the landscape plan.
- The contractor shall provide a list of all other documents used in the landscape plan.

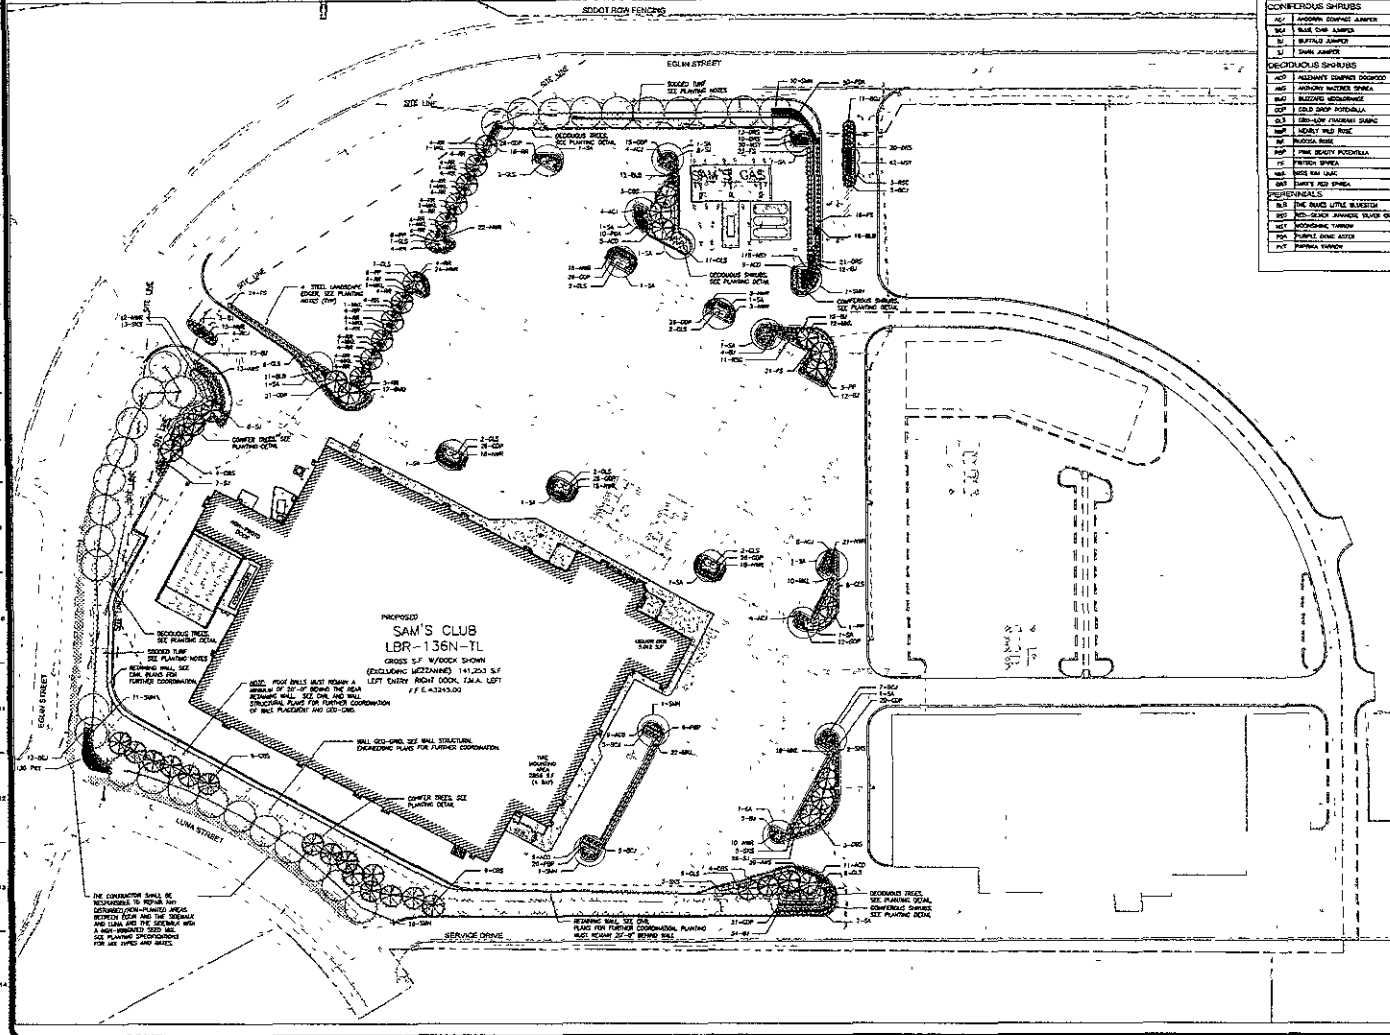

- The contractor shall provide a list of all plants used in the landscape plan.
- The contractor shall provide a list of all materials used in the landscape plan.
- The contractor shall provide a list of all labor used in the landscape plan.
- The contractor shall provide a list of all equipment used in the landscape plan.
- The contractor shall provide a list of all subcontractors used in the landscape plan.
- The contractor shall provide a list of all permits used in the landscape plan.
- The contractor shall provide a list of all inspections used in the landscape plan.
- The contractor shall provide a list of all other documents used in the landscape plan.
- The contractor shall provide a list of all plants used in the landscape plan.
- The contractor shall provide a list of all materials used in the landscape plan.
- The contractor shall provide a list of all labor used in the landscape plan.
- The contractor shall provide a list of all equipment used in the landscape plan.
- The contractor shall provide a list of all subcontractors used in the landscape plan.
- The contractor shall provide a list of all permits used in the landscape plan.
- The contractor shall provide a list of all inspections used in the landscape plan.
- The contractor shall provide a list of all other documents used in the landscape plan.
