To Whom It May Concern:

I, Donald Simonsen and my wife, Lynette, moved to Rapid City in 2006. We bought a house located at 1506 Enchantment Road.

I would like to build a 28' x 35'6" detached garage so that I can park two vehicles and a boat inside, out of the weather. These vehicles got hailed on last summer and had to be repaired.

This building would be used just for storage purposes and would have the same siding, shingles, and paint color as the house.
