---

video lottery be continued to the May 7, 2009 Planning Commission meeting.

GENERAL COMMENTS:

The applicant has submitted a request for a Conditional Use Permit to allow an on-sale liquor establishment at 2530 West Main Street for a video lottery casino. The property is currently zoned General Commercial District. Currently a 2,700 square foot commercial structure is located on the property. The applicant is proposing to use 1,346 square feet of the building for a video lottery casino and use the remaining portion of the building for storage.

STAFF REVIEW: Staff has reviewed this request for a Major Amendment to a Conditional Use Permit to expand an on-sale liquor establishment as it relates to the applicable provisions of Section 17.54.030 of the Rapid City Municipal Code and has noted the following issues:

1. *The request will not "adversely affect" the use of any place for religious worship, school, park, playground, or similar use within a five hundred foot radius.*

There are no places of religious worship, schools, playgrounds, parks, or areas of similar use located within 500 feet.

2. *The requested use is "sufficiently buffered" with respect to residential areas so as not to adversely affect such areas.*

Staff noted that the proposed facility abuts commercial development; however, residential development is located approximately 350 feet from the site.

3. *The proposed use will not create an undue concentration of similar uses, so as to cause "blight, deterioration, or substantially diminish or impair property values".*

Currently, five on-sale liquor establishments are within 500 feet of the property, including Pizza Hut, Shooters, Golden Phoenix, Khoury's Mediterranean Cuisine, and Clock Tower Lounge. Four of those establishments are full service restaurants. Additionally, Shotgun Willies and Uncle Sam's Casino are located approximately 900 feet and 750 feet west of this site.

4. *The proposed use has been reviewed under Chapter 17.54.030 (E) Criteria for Review.*

Building Uses: The applicant stated that 1,346 square feet of the building would be used for a video lottery casino and 1,364 square feet of the building would be used for storage. Businesses of this type do not normally require significant storage. Staff recommends that this item be continued to the May 7, 2009 Planning Commission meeting to allow the applicant to clarify the intended uses of the building. It is important to have a clear identification of the uses for purposes of ensuring that adequate parking, ingress and egress are available to the site.

Building Permits: Staff noted that a building permit must be obtained prior to any construction and a certificate of occupancy obtained prior to occupancy.

Parking: The applicant has submitted a site plan as part of this application showing 14 parking

---

spaces, including one van accessible handicap space. The minimum standard for this property is 14 parking spaces, including one handicap space based on the identified use of half the building for storage. In addition, the proposed parking appears to be located outside of the proposed expansion of Sheridan Lake Road. Staff is requesting clarification regarding the use of the building. Nearly any other allowable use of the property would exceed the off-street parking requirements.

Landscaping: The applicant has submitted a landscaping plan showing 16,900 landscape points as part of this application. A minimum of 15,345 landscape points is required. The applicant will need to reestablish groundcover along the slope on the south side of the building to eliminate the bare ground and prevent further erosion as well as ensuring the slope is stabilized.

Signage: To date the applicant has not submitted a sign package for this property. As such, staff recommends that this item be continued to the May 7, 2009 Planning Commission meeting to allow the applicant to submit a complete sign package for review and approval.

Fire Code: Staff noted that all applicable provisions of the International Fire Code shall be continually met.

Notification: As of this writing, the required sign has not been posted on the property and the receipts from the certified mailing have not been returned.
