

513 sixth street ~ rapid city ~ sd ~ 57701 ~ 718 . cork (2675)

I am requesting a conditional use permit for my restaurant located at 513 6th Street, Rapid City, SD 57701, to allow a "sidewalk café" on the pedestrian right of way located directly in front of my restaurant.

I have obtained the required elements, based on your written criteria and review with Vicki Fisher. Descriptions and photos of furniture are attached as well as the required plans.

I will have no umbrellas

My guests in this outdoor area will be able to order food from my appetizer and dinner menu as well as beer, wine and soft drinks. The outdoor café seating will only be available when I am open with all furniture and barriers stored inside my restaurant when we are closed.

Thank You,
