The American Cancer Society has partnered with the Rapid City Downtown Association to bring the American Cancer Society's "Paint the Town Purple" to 7th Street. The proposed event is to host the kick off for the Relay for Life in downtown Rapid City on June 4, 2009. This event will take place on 7th Street between Main and St. Joseph Street. We will be closing 7th street between 4:00 p.m. and 9:00 p.m. for set up, take down and clean up. The parade permit for the street closure was turned into the Rapid City Police Department on Tuesday, April 21, 2009.

The event will consist of the stage placed on the south end of 7th Street on which one local band will be performing. The stage we will be using is the Knology stage from the Central States Fair Grounds. Approximately 20 vendor stalls will be located on 7th Street. The American Cancer Society has insurance in place that will cover the event.

Attached is a map of the 7th Street area please review for details on structure locations. Actual locations of temporary structures may change based on unforeseen difficulties.
