

**Rushmore Little League
East Main St. Complex
11.6.19 SDCL Review
June 24, 2009**

RECEIVED

JUN 25 2009

Crow's Nest identified on this plan was completed Spring of 2009. Structure is located within the 100 Year Flood Area. Base Flood Elevation is 3190.00. Property is leased from the City of Rapid City to Rushmore Little League. Rushmore Little League shall install marine grade plywood 4' around the inside of the structure (elev.=3190.58') and remove existing drywall. Lessee shall also install vents in each of the two rooms within structure to prevent pressure buildup within the structure.
