From: Todd Peckosh, PE  
Project Engineer

Re: Elm Avenue Phase 3  
Project # ST09-1759 / CIP No. 50130

This memo is to provide information on the scope of work proposed under the referenced project.

The proposed Project will reconstruct Elm Avenue from Tallent Street to Oakland Street. Work on the Project will include, but not necessarily be limited to construction of new curb/gutter, 36' of pavement (3-lane), sidewalk on the west side of Elm, Bike Path on the east side of Elm, street lights, water main, storm sewer, sanitary sewer and under drain.

Also attached for your information are the legal descriptions of adjacent properties.

Please let me know if there are any questions or additional information is needed.

**EQUAL OPPORTUNITY EMPLOYER**
