Rapid City, SD 57701

Re: Comprehensive Preservation Plan

Dear Planning Commission members:

The Rapid City Historic Preservation Commission received a Certified Local Government (CLG) grant for 2008-2009 to revise the Comprehensive Preservation Plan. On March 2, 2009, M.L. Dennis was awarded the contract to revise the Plan. The Historic Preservation Commission met during the months of March and April to update and revise the Preservation Plan. The revised Comprehensive Preservation Plan was adopted by the Commission on May 15, 2009. The Historic Preservation Commission requests that the Comprehensive Preservation Plan be adopted as an element of the City of Rapid City's master planning process.

Sincerely,

Pat Roseland
Secretary
Rapid City Historic Preservation Commission
