Hi Jayne - Sorry for the delay. I received the revisions over the weekend. This should satisfy the widths for fire lanes.

As a note, the only true structure tents that are accounted for on the plan are:

- 100x40 shade tent
- 60x100 OE&PA
- 40x40 Performance Tent
- 40x60 MotorClothes
- 40x100 Black-Hills H-d
- 40x100 Beer Tent
- 40x40 General Cigar Co
- Demo Rig TR1: will have an awning extension from the rig

Following are reserved spaces on the plan, however may not require a structure:

- 60x60 Trike Demos
- 30x60 Ford Simulator
- 65x30 Ford
- 30x100 International Truck
- The remainder 10x10's are space holders for partners and may or may not be used.

Feel free to contact me with any questions. Thank you, Jane!
