To Whom It May Concern,

The Fit-n-Fun School Age Program is requesting a change in the operation license. We are currently an OST (Out of School Time) program and would like to change our license to a Child Care Center. The programs that will be using the space include:

- Preschool, ages 3-5, with hours of operation of 7:30-2:00, Monday-Friday
- AM Kindergarten Care, ages 5-6, with hours of operation of 10:30-6:00, Monday-Friday
- After School Care, ages 5-14, with hours of operation of 2:00-6:00, Monday-Friday
- No School Day Care, ages 5-14, with hours of operation of 8:00-6:00
- Summer Camp, ages 5-14, with hours of operation of 7:30-6:00, Monday-Friday

The licensed capacity for this space by the State is 49 clients in room 114 and 46 clients in room 117. The playground has 50 square feet per child with a capacity of children at one time of 17 children. All children are broke down into groups of 15 and will be on the playground at different times.
