Dear Neighbors,

We are writing to inform you that Someone's In The Kitchen is requesting a wine license. As many of you may know, we offer cooking classes, which are conducted in the kitchen area of our store. Some of the instructors, most of who are local chefs and caterers, would like to offer wine samples with their classes. Rapid City requires us to have a wine license to offer these free samples. We have no intention of selling wine off the shelf and any sale of wine will primarily be in conjunction with our cooking classes.

Cordially,

A handwritten signature in cursive script that reads "Dave & Betsy Lyons". The signature is written in black ink and is positioned above the printed name.
