Pierre, SD 57501Re: **Fountain Springs Group Family Day Care - Licensure Review**  
**Rapid City, SD**

Dear Carroll:

Plans and specifications for the referenced project have been received and reviewed by this office. This design has been reviewed for conformity with applicable state rules governing the construction and licensure of group family day care facilities. Contingent on resolution of the following comments, this proposal is hereby accepted and released for licensure:

**61:15:06:03. Approval of proposed construction required.** A group family day care proprietor may not begin proposed construction until the plans and specifications have been reviewed locally and by a representative of the Department of Public Safety and approved in writing. Drawings must be drawn to scale and must clearly show plot plan sections, elevations, structural details, floor plan, electrical, mechanical, and any other details the department may require. *All local requirements regarding planning and zoning, permitting, and occupancy approval must be met prior to approval by this office. Proposal must be submitted to the City of Rapid City Building Services for review and comment.*

**This proposal must also be submitted to the South Dakota Department of Health, Medical Facilities Licensure and Certification program for review and comment. The South Dakota Department of Health is the designated fire authority in all licensed healthcare facilities.**

The review of plans and specifications does not permit the violation of any section of the international codes or any federal, state, or local regulation. If you have any comments or questions concerning this review, please call or write this office.

Sincerely,

Paul Merriman, Deputy State Fire Marshal  
**Office of the State Fire Marshal**
