RE: New Baseball Scoreboard

Date: February 8, 2010

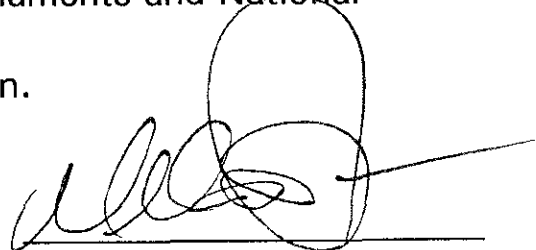

Baseball 320 Inc. is the current lessee of the property owned by the City of Rapid City located at the intersection of Canyon Lake Drive and Sheridan Lake Road (a/k/a Pete Lien Memorial Field). In conjunction with American Legion Post 320, Baseball 320 Inc. has obtained 100% funding to purchase and install a new baseball scoreboard at the site (a/k/a Pete Lien Memorial Field). The design schematic and photographs are attached.

The new scoreboard will replace the board that was installed at the site in 1997-1998. The new scoreboard will be installed at the same location where the current board stands. The old board will be donated to another youth program.

Rapid City American Legion Post 320 baseball is the only Class A team in our region without a 9-inning scoreboard. That is teams from Spearfish, Sturgis, Pierre and RC Post 22 all have 9-inning boards comparable to the board desired by RC Post 320.

Rapid City American Legion Post 320 baseball needs a 9-inning scoreboard to host State Tournaments and National Tournaments.

Thank you for your consideration.
