Greetings:

We request permission to use a portion of the city sidewalk in front of our store for an outdoor café. We will serve food and beverages, to include beer & wine, for up to 16 customers.

Attached is a plan showing placement of a stanchion chain barrier in front of 4 tables, as well as a 24" x 36" two-faced sign.

Should our store move to a new location, we request that this permission transfer with our store.
