Marcia:

PLM would like to re-submit the current PLM Phase 2C preliminary plat (09PL047) scheduled for June 7 Council, to the June 10 Planning Commission meeting with changes to Lot 16 R, specifically by adding a 25 foot flagpole extension to Conestoga Ct.

This change affects only one plan & profile sheet. With the acceptance of the change, a complete plan set (without the preliminary stamp) will be submitted for staff endorsements.

Please have staff coordinate requested submittals and deadlines. Thanks
