

To whom this may concern,

This is regarding the Saturday night beer garden that we would like to place behind Sports Rock at 321 7th St.

We had a chance to meet with Lt. Dan Rudd from the Rapid City police department. Lt. Rudd approved the 4ft high fence that we plan on enclosing the garden with, he also gave his approval for our security plan.

On Saturdays we will begin setup at 3pm, with tear down at 1am on Sunday morning. On the Saturday nights that we plan entertainment, the music will stop at 10pm (11pm if the planning commission approves)
