

It is our intention to reopen our business at 200 E. Main St., Rapid City, S.D. We will offer a place for our previous customers, from a different location, to be able to play pool in an atmosphere that encourages the promotion of the game. Along with that, we will serve food, soft drinks, and beer at reasonable prices. We also will offer a full line of billiard tables and billiard equipment for sale, and provide service for such equipment.
