

LETTER OF INTENT

Location: Relocated Vendor Site No. 5

This Letter of Intent describes the proposed sidewalk vending business John Ashley is beginning. Mr. Ashley will set up a vending cart in accordance with the Rapid City Ordinance 5521 and State/City Health Code. He has his ServSafe License (Certificate No. 7613372) and he is fully insured as per the City of Rapid City requirements, both documents are attached. Mr. Ashley has a Sidewalk Vendor License (No. 58441) and it is valid until 12/31/2011.

The vending cart will sell non-alcoholic beverages (bottled water and soda), cut flowers, and a limited service menu – hot dogs with condiments, candy, and chips.

The hours of operation will fluctuate as business begins. Mr. Ashley will be trying different times of day to find the best time to sell. Initially, the hours of operation will be around noon, late afternoon, and into the evening, taking advantage of late night crowds. It will not operate later than 2:30 am as per the Rapid City Ordinance.

See the attached drawings for the cart descriptions and site dimensions.

Currently, Mr. Ashley is securing the permit issued by the State Department of Health for food related establishments. This document must be submitted prior to Planning Commission approval, we are requesting this stipulation be revised to read “prior to operation of the food cart”.
