

Letter of Intention:

The intended use of the Sidewalk Café is to serve as a waiting area for Botticelli Ristorante. We are open from the hours of 11:00 am to 2:30 pm and 5:00pm to 9:00 pm Monday through Friday. Saturdays 11:30 am to 9:00pm and Sunday, 5:00 pm to 9:00 pm.

We are not encouraging dining outside, however, will serve wine and beer during our open hours to customers who are waiting for a table inside. We have found it difficult in years past to serve full course dinners outside as it is difficult for the servers to enter and exit carrying trays of food through the waiting customers, and make their way through double glass doors.

We may, once the Town Square is finished and operable stay open during the afternoon hours and do some sort of appetizer plate (cheese plate) etc. and would be possibly accompanied by wine or beer.

We just really need more space for waiting. And this has served well over the last 14 years to use the space outside for customers who are waiting.
