

Pure Bliss LLC dba A Perfect 10

A Perfect 10 nail and beauty bar will be opening at 1109 W Omaha St Suite B some time early August. I have 17 years of experience in business operations and salons. A Perfect 10 will be a salon offering natural nail services, pedicures, haircuts and color in a new and fun surrounding that is set up different than a regular salon. It is called a nail bar because the nail stations are up high like a bar would be with bar stools for the clients to sit in and the pedicure chairs are something you would buy to put in your living room at home. Very comfortable and clean. My purpose of this is to provide a relaxing and fun experience for our clients. We will not be a bar. Individual services as well as parties for bridal showers, birthdays or any special occasion will be offered at our location. We would like to allow our guests of age to have the option to have a beer or glass of wine while having a service done or if they are having a celebration or group outing. Nail salons of this kind are becoming popular around the country offering beer and wine and I am excited about bringing this to Rapid City. The staff along with myself, will manage and monitor to make sure the clients are of age by checking identification.

Thank you for your consideration,
