In Re: Rezoning Lots 2-16 of Block 3 Denman's Subdivision from GC to HDR

Dear Ms. Fisher:

We are developing student housing to assist to the housing needs of the South Dakota School of Mines & Technology. We have signed contracts to purchase the above-referenced lots to provide the needed housing. This property needs to be rezoned into HDR. Enclosed herewith are the applications for such request.

Please do not hesitate to contact me with any questions or concerns.

Sincerely,
