Letter of Intent

Fletcher,

As for the major amendment to the use on review for the Market Square Casino.

Our purpose for amending the use is to enlarge the foot print of the existing casino by renting additional space next door. By doing this we can add an additional license and have an additional 10 lottery machines at this location. Some of the space of the renovated unit will be rented to Pauly's Subs next door. They also have had good business at this location and need additional space. The outdoor patio will be fenced and used as a place for customers to have a smoke break. We will have outside radiant heaters for our customers. The alcohol is a small percentage of the sales as we only sell on average \$35 per day.

Our hours of operation for this facility are as follows

Monday-Sunday 7:00am to 2:00am.

Please call or e-mail with questions or concerns

Thank you
