To Whom it May Concern:

Main Street Square is filing to make a amendment to their existing conditional use permit.

Following the vacation of the alleyway north of Main Street Square, we would like to expand the area in which our conditional use permit sanctions to include the newly vacated alley. This growth will encourage pedestrian traffic throughout the walkway.

The increased area will allow the public to consider all vendors for purchases in our farmers' market and other events. It will also increase awareness of many neighboring shops along the alleyway.

Thank you for your time and consideration to expand business in our local community.

Sincerely,
