

## Neve's Uniforms and Equipment

Neve's sells uniforms and other retail products to the public including but not limited to:

- leather wallets,
- leather holsters,
- hats and accessories,
- rain coats,
- gloves
- shirts
- jackets
- flashlights
- binoculars

They have a seamstress on site to provide alterations.

While Neve's is open to the public, their biggest clients are law enforcement officers and firefighters from the RCPD and RCFD. This location would be very convenient for these public servants.

Hours of operation are 8:30 a.m. – 5:00 p.m. so there will be no traffic at inconvenient time periods for a residential neighborhood and given the nature of the business, we do not believe that there will ever be a high volume of traffic at any given time.
