NOTES:

1. We are requesting a subdivision variance to eliminate the requirement to improve the Section Line right of way.
2. We are requesting a variance to the minimum lot size requirement for a residence served by a well and public sanitary sewer system.
3. Water reservoir will be sized and designed at a later date.
4. Lot 2 of Lot A is reserved as a utility lot. This lot cannot be used for residential purposes until such time that all city requirements for residential use have been approved by the City Council of the City of Rapid City.
