

To whom it may concern:

My name is Canada Lytle and I am the owner of A Perfect 10 nail & beauty bar currently located at 1109 W Omaha Street. We have been open for 12 months now and currently have our beer and wine license to offer adult beverages while getting a salon service. During the last 12 months we have had great success with this and have had no problems at all with intoxicated clients and we id every customer. Clients are usually at our nail bar for no more than an hour. We are primarily a nail salon offering manicures, and pedicures but we also offer hair services. We do charge for the drinks and monitor the customer intake. We are not a true bar and that is not our intention. We simply provide professional beauty services while relaxing and enjoying a drink.

We are going to be opening our second location in September 2012 at the Black Hills Center located next to the new Walmart on Catron and 5th. We would like to offer beer and wine at this location as well. Our space consists of 1600 sq. ft. that salon services will be provided. This location will be offering the same services as our current location. Hours of operation will be Monday- Friday 9am to 8pm, Saturday 9am to 7pm and Sunday 11am to 5am. We service approximately 40 to 50 clients per day and clients must be getting a service in order to have a beer or glass of wine. Our beer and wine sales at our current location average between \$500 and \$600 per month, so this is not a large part of our business at all. It is a priority to be properly licensed to ensure we are serving legally.

Thank you for your consideration,

Canada Lytle
