

Richard and Rose DuBois

We are requesting approval of a major amendment on the property described as Lot 2 of Parcel Q of Woodridge Subdivision.

The property was purchased with the intent of Single-Family Development on Lot B of this Parcel, but at present it is identified within the Woodridge Planned Development as open space. A document from the Woodridge HOA forwarded to the City Planning and Development Services is necessary in addressing this issue.

Intended / Purposed Use: Lot B of the Dubois Subdivision will be used for Single-Family Development.
