RE: Wine Application-Rapid City, SD (T2457)

Dear Fletcher:

The intent of this letter to the Community Planning & Development Services is to inform your department that our Rapid City Target location is seeking to conduct a major amendment to include wine to be sold at our store for off-premise consumption.

Currently, this location is licensed for Package (Off-Sale) Malt Beverage. We are interested in applying for a Retail (On-Off Sale) Wine license. With this license, our intent is to merchandise our store with wine available for our guests to consume off the premise. At this time, we are not looking to allow any of our guests to consume alcoholic beverages on the premise.

The location of the wine would be in the snack/beverage/candy aisles and will occupy approximately 38 feet (32 feet in the main aisle, 2-3 foot endcaps) of aisle length.

Feel free to reach out to me directly with any additional questions or concerns. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew Stewart".
