

**Intended use of 1774 Centre St., unit B,
by the Battle Creek Church of Christ:**

The Battle Creek church of Christ would like to meet in unit B of the Horst Development complex located at 1774 Centre Street in Rapid City. The 1000 square foot unit is located on the upper floor on the west end of the building. The building itself is the farthest eastern building in a complex of four like buildings. The unit is at ground level and faces north with Highway 44 passing in front of it.

The church intends to meet between the hours of 9 am to 12 pm each Sunday and between the hours of 4 pm to 7 pm on Sunday evenings. Assembly typically takes 2 hours in the morning and one hour in the evening. Exact times of service have not been determined. We will also meet for a mid-week Bible study on Wednesdays from 7 pm to 8 pm.

There might be a rare assembly for a wedding or funeral as appropriate. The minister may elect to place a study in the facility in which case he may arrive and leave at his convenience. The congregation will not use the facility for any other organized activities like meals, youth meetings, social gatherings, etc. Worship, Bible studies and church related meetings (ex. Business meetings) would pretty much encompass the extent for which the church would meet in that location.

According to the Fire Marshall (Tim Behlings) the space should accommodate somewhere between 65 to 70 people. However, we plan to place 10, eight foot pews in the auditorium which will only seat 40 people. The congregation presently has 26 attendees with an average Sunday morning attendance of 19 people. Once we hit 40 attendees, we expect to move to a bigger facility.
