**Landscape Planting Note**

NOTE: Plant material and placement provided by Black Hills Landscapes. Irrigation for landscape is to be an owner furnished and installed item, to be coordinated with the General Contractor.

Plantings and placement reflect the ability of the site to sustain compliance with the landscape ordinance. This plan shall not however, constrain the owner from exercising personal discretion for individual landscape items based on seasonal availability and preference - provided that conformance to the ordinance is continually met.

**Proposed Site Development**  
 "Proposed" Lot 7R, Block 3,
