Re: CUP #15UR006; Epic Outdoor Advertising, Inc.

Epic Outdoor Advertising is petitioning to convert an existing static billboard located at 3435 Sturgis Road (Rapid City S.D.) to a digital billboard on both the North and South facing sides. In addition to this replacement, the sign will be lowered to comply with the 30' height restriction required in the present Rapid City Municipal Code.

The new digital billboard faces will not increase the size of either sign face, presently 250 square feet per side.
