

Rapid City Planning Commission

Rezoning Project Report

June 4, 2015

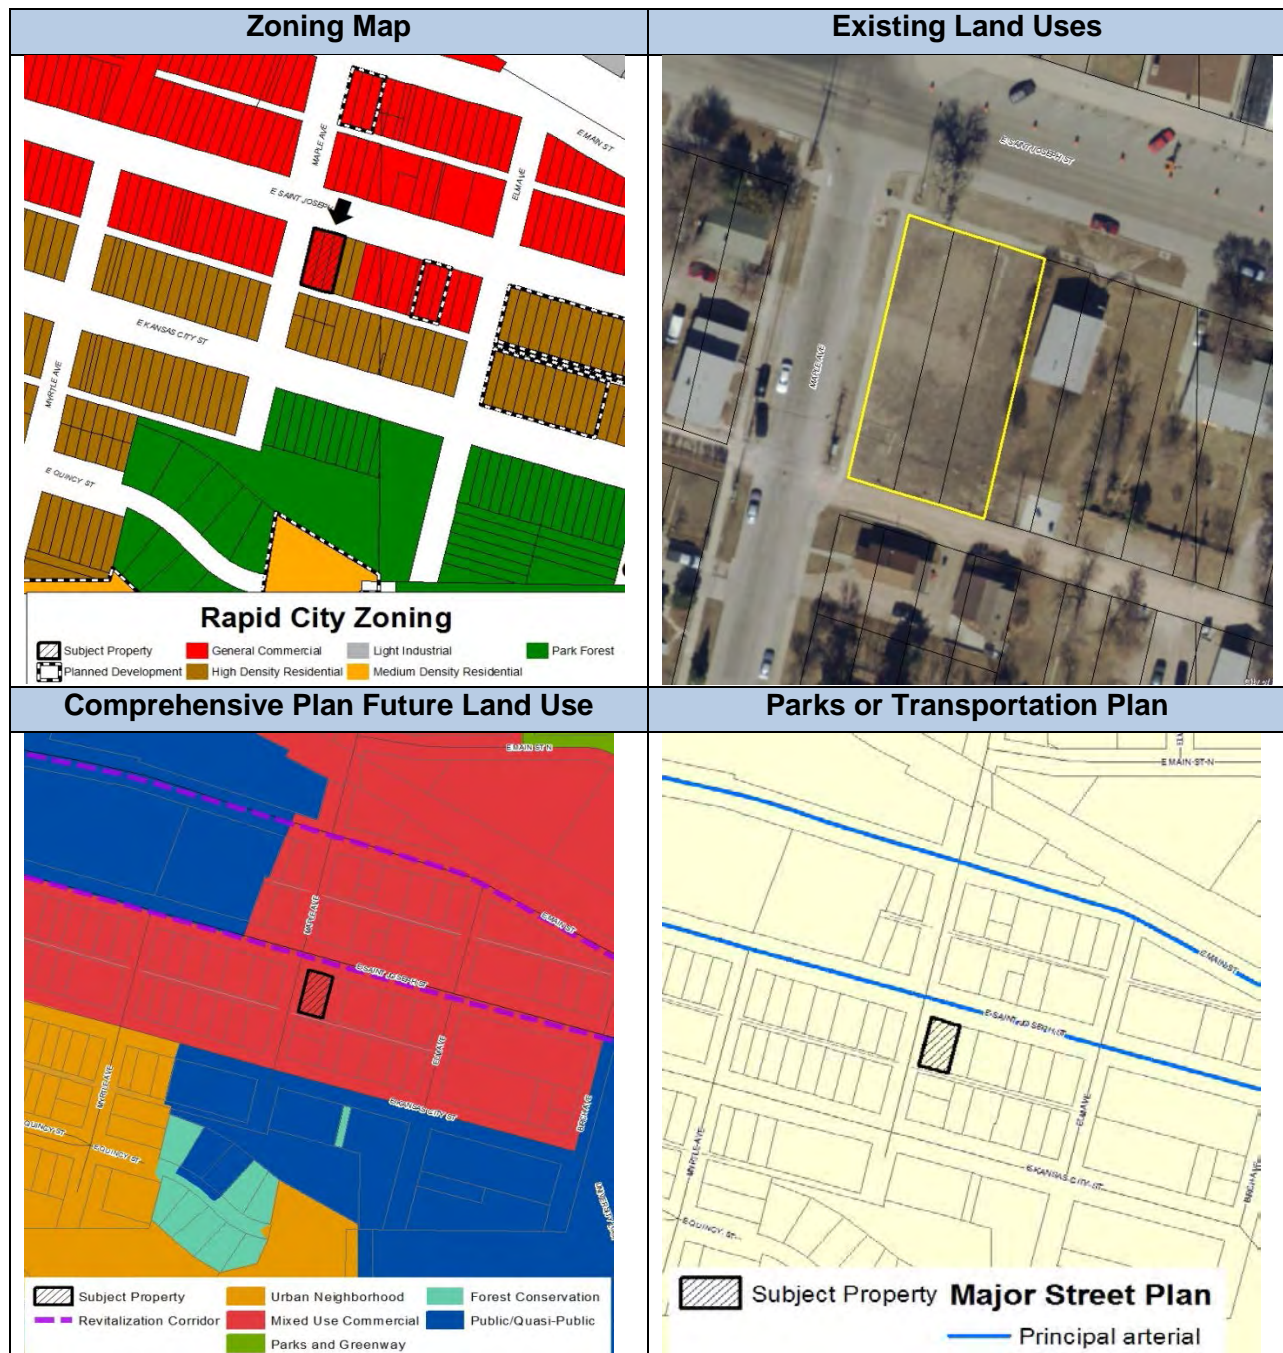

Applicant Request(s)
Case # 15RZ013 – Rezoning from General Commercial District to High Density Residential District
Companion Case(s) File #15RZ012 – Rezoning from General Commercial District to High Density Residential District / File #15PD016 – Initial Planned Development Overlay

Development Review Team Recommendation(s)
Continue to the June 25, 2015 Planning Commission meeting

Project Summary Brief	
The applicant has submitted a Rezoning request to change the zoning designation from General Commercial District to High Density Residential District for a parcel of land approximately 0.24 acres in size. The applicant has also submitted an Initial Planned Development Overlay (File #15PD016) to allow a student residence building and a Rezoning request (File #15RZ012) for 0.44 acres located east of this property from General Commercial District to High Density Residential District. The applicant has requested that the Rezoning request be continued to be heard in conjunction with the Initial Planned Development Overlay which has been suspended during staff review to allow the applicant to address outstanding issues.
