

Community Planning + Development Services

We are proud to be 30 years in the business of beauty, health, wellness, full service salon and spa massage, esthetician services!

Our team here at The Best Little Hair House is in request of a wine and beer license to continue creating the atmosphere our patrons deserve. With request from clientele and furthering our services we feel adding wine and beer will complete the spa and salon experience. Also stay competitive. Ensuring our ability to have a progressive salon along with advancing services from our industry our salon is another thriving business in Rapid City.

Thank you
