

**RESOLUTION BY THE RAPID CITY PLANNING COMMISSION AMENDING THE
COMPREHENSIVE PLAN BY ADOPTING THE COUNTY HEIGHTS DRAINAGE BASIN
DESIGN PLAN AMENDMENT**

WHEREAS, SDCL 11-6 provides for the Planning Commission to propose to the City Council a comprehensive plan for the physical development of the municipality, including the areas outside the boundary and within its planning jurisdiction; and

WHEREAS, the County Heights Drainage Basin Design Plan Amendment updates the original Basin Study completed in 1990; and

WHEREAS, the Plan Amendment will improve capacity and operation of existing storm drainage facilities within the Drainage Basin as well as address the existing water pools, stagnant water, excessive vegetation, slope failures, poor access and water quality problems currently experienced throughout the drainage channels within the Drainage Basin; and

WHEREAS, the Planning Commission has given due consideration to the Plan and has held a public hearing as required by SDCL 11-6-17.

NOW, THEREFORE, BE IT RESOLVED, by the Planning Commission of the City of Rapid City that it adopts an amendment to the environmental element of Plan Rapid City, entitled "County Heights Drainage Basin Design Plan Amendment" and recommends to the Rapid City Council the adoption of said amendment.
