Subject: Undeliverable: Concerning the proposed new casino on Mt. RUSHMORE Rd, I must strongly voice my opposition. As a resident on St. Charles Street we have had to endure drunks sleeping in our yards, discarded beer and wine bottles littering our yards, sweeping up the broken shards of wine bottles thrown on our sidewalks and steps, people vandalizing our fences and garages, teens running through our fenced yards unsupervised by parents, 3 of the robbers using our street as their road of travel and hiding here. He'll no.

Re: Notice of hearing for planned Development Application; File # 16PD009
Applicant: Kennedy Design Group Inc for MC Oil
Location: 1808 Mount Rushmore Road and 729 Saint Andrew Street
Purpose: Major Amendment to Planned Development to expand and on-sale liquor establishment in conjunction with casino.

I do not think we need more (or enlarged) gambling and liquor establishments in our residential

Area. There are already, six (6) businesses selling liquor along Mount Rushmore Road between Franklin Street and Saint Patrick Street. They are open late at night and are prime locations for robberies. This is primarily a residential area with homes, Wilson grade school and Wilson Park.

My husband and I own and reside in the home at 715 Saint Charles Street, Rapid City, SD, 57701.

I do not believe we need expanded liquor sales in the neighborhood, nor do we need additional gambling. I am opposed to increasing either type of business in the vicinity.

Thank you!
