RECOMMENDATION: Staff recommends that the Resolution naming the unnamed roadway to "Black Hills Boulevard" be **continued to the April 5, 2001 Planning Commission meeting to allow the petitioners to submit a new proposed street name.**

GENERAL COMMENTS: **Note: This Staff Report has been revised as of 3/14/01. New or revised text is shown in bold print.** The petitioners have submitted this application to officially name a currently unnamed section line roadway. The roadway in question provides access to four houses. The roadway is a north/south gravel roadway located parallel to and several hundred feet west, of U.S. Highway 16. The north/south roadway intersects with Golden Eagle Drive.

STAFF REVIEW: **The Planning Commission on February 22, 2001 and March 8, 2001 continued action on this request because they felt that the name "Black Hills Boulevard" should be reserved for a major street in the community. Staff has relayed this recommendation on to the petitioner who is now in the process of selecting alternative names. Once the petitioners have submitted a proposed name, Staff will review the name with the Emergency Services Dispatch (911) Center staff and will then bring a recommendation back to the Planning Commission. Once the new street name is approved, the City will install street name signs and all applicable public and private agencies will be notified.**
