

EXPLANATION OF BRACKEN REQUEST

2402 5TH STREET

- City eliminated parking on Indiana Street to accommodate signalized intersection
- City Council authorized expansion of Bracken driveway (shaded portion) which involved replacement of existing driveway and a portion of sidewalk as well as making the driveway 20 ft. wide. (\$3162.70 bid and awarded)
- Brackens desire the City to replace their existing and expand the driveway on their private property between the boulevard (**shaded portion**) and their garage as shown in **crosshatch**. (From bid unit prices this would cost an additional estimated \$2173.70.
- Staff is requesting direction on this request.
