Subject: **Amendment # 1**, Agreement for Utility Rate Engineering Services, dated September 20, 2001

Dear Mr. Bjerke:

This amendment is submitted based on your request for continued services, beyond the original contract amount, as described below:

1. Continued representation as the City's rate consultant in ongoing negotiations with Ellsworth Air Force Base.

Compensation for services will be on a time and expense basis. Direct expenses will be billed with no markup. Hourly rates are as follows:

Michael D. Strub, PE; Iris Associates: \$75.00 per hour

George Oamek, PhD; HDR Engineering, Inc.: \$140.00 per hour.

Total billing under this amendment will not exceed \$3,500 unless further amended in writing, and can be terminated at any time by the City of Rapid City. Work completed prior to termination would be due at that time.

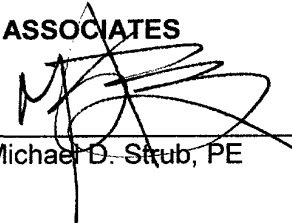

All of the terms and conditions of the original agreement not specifically modified by this amendment shall remain in effect.
