Re: City of Rapid City, Bridge Milling, Overlays, and Repainting; ST03-1161
TSP#02796

Dear Joe:

TPS is pleased to offer the following proposal for the design work on the above referenced project. We propose to prepare contract documents including plans, supplementary specifications, engineers estimate, bid tabs and any other documents necessary for a standard, City of Rapid City project. We also propose to attend a pre-bid conference, if held.

As we understand our scope of work, we are to prepare construction documents for the following repairs to the following bridges:

<u>Bridge #</u>	<u>Repairs</u>
52-378-315 Chapel Ln.	Lead paint removal and repainting
52-395-305 Sheridan Lake Rd.	Milling and overlay
52-424-302 E. Main St.	Milling and overlay, lead paint removal and repainting, possible bridge joint retrofit.

We will bill you monthly based on the percent complete of the lump sum fee of **\$18,292.50** for services and expenses as described in the attached fee proposal. The total cost will not be exceeded unless there is a change in the scope of work that is mutually agreed upon by both parties.

Estimated expenses are included in our total fee. Additional expenses beyond the original scope of work will be billed at our standard reimbursable rates.

If the following proposal meets your satisfaction, please sign both copies in the approval space provided below and return one copy for our records.
