Re: Pennington County Courthouse Complex
Rapid City, South Dakota
Structure in the Public Right-of-Way

Council Members,

On behalf of Pennington County, Lund Associates would like to be placed on the City Council's agenda along with County Representatives. Pennington County seeks permission to place a communication intercom post & (4) protective bollards in the public right-of-way in front of the gates to a fenced parking area under the proposed Jail Annex. These items will be installed between the property line & the street's curb along the south edge of the public sidewalk.

We have enclosed drawings to represent the County's request. If additional information is required, please contact our office. Thank you for your time and consideration.

Sincerely,

LUND ASSOCIATES, LTD.
