

REQUEST AUTHORIZATION FOR MAYOR AND PROFESSIONAL SERVICES AGREEMENT OR AMENDMENT

No. PW090903-09

GN

Project Name & Number: Stoney Creek Water Booster Station and Well House, Project No.: W03 - 953

Project Description: Combination Well House for the newly developed Well #12 and a Booster Station to provide water to the Hwy 16 elevated tank. Benefiting service areas from the project are Hwy 16, Wildwood, Carriage Hills, and Red Rocks.

Consultant: Phil Nichols Associates

Original Contract Amount: \$101,125

Original Completion Date: 9/19/03

Amendment Number: One (1)

Amendment Description: In order to adequately Master Plan the service area for the proposed booster station and well #12 and to evaluate the effects of the booster on the existing service zones additional service zones need to be analyzed and the existing southwest and Terracita zones need to be included in the analysis.

Add to the design and construction component services a pump replacement for Well #11. Because of current supply needs in the Southwest service zone a pump upgrade for Well #11 is needed in the Spring of 2004. Because the Well #11 pump upgrade has a direct impact on the design and operation of proposed Well #12 and the proposed Booster Station the design of Well #11 needs to be a component of the Well #12 and Stoney Creek Booster Station design contract.

Current Contract Amount:	\$101,125.00	Current Completion Date:	20-Oct-03
Change Requested:	\$9,840.00		31-Dec-03
New Contract Amount:	\$110,965.00	New Completion Date:	31-Dec-03
