Public Works Committee of the Rapid City Council

Reference: Elimination of two on street parking spaces on the east side of 9th Street (between Saint Joseph and Kansas City Streets)

Dear Council members,

Per request of Mary Ellen Uptain (office manager at Frankenfeld Associates), I recommend that two on-street parking spaces be eliminated on the east side of 9th Street (between Saint Joseph and Kansas City Streets). Vehicles parked in the existing parking spaces are a sight obstruction for drivers exiting the alley westbound.

Sincerely,

Douglas Adelman
Traffic Engineer
