### MEMORANDUM

TO: Planning Commission

FROM: Patsy Horton, Community Planning Coordinator

DATE: August 17, 2004

RE: **No. 04TP015 - Approval of the 2004-2008 Rapid City Area  
Transportation Improvement Program Amendment #04-003**

Each year the Rapid City Area Metropolitan Planning Organization is required by the Federal Highway Administration to develop the Rapid City Area 2004-2008 Transportation Improvement Program (TIP) cooperatively with the South Dakota Department of Transportation. This is a five year priority list and financial plan for highway, transit, and intermodal projects. It is intended to serve as a fiscal management tool to assist state and local agencies in matching transportation needs with resources.

City and State staff have determined that the bridge crossing Rapid Creek at Creek Drive is in need of repair and wish to move the project forward two years. The Street Department currently repairs the existing wooden bridge on a continual basis.

The cost for the 2006 bridge structure and approach grading over Rapid Creek along Creek Drive is estimated at \$273,000, with a \$218,000 / \$55,000 funding split between the Federal Highway Administration and the South Dakota Department of Transportation, respectively. The Rapid City Area Metropolitan Planning Organization approved this amendment at its August 12, 2004 meeting.

**RECOMMENDATION:** The Executive Policy Committee of the Rapid City Area Metropolitan Planning Organization recommends approval of the 2004-2008 Rapid City Area Transportation Improvement Program Amendment #04-003.
