## Facilities Request

**TO: Growth Management**  
**FROM: Lawrence M. Kostaneski, PE**  
**DATE: February 23, 2005**

**RE: 0066: Lazy P-6 – Lift Station**

**CC: Lazy P-6 Land Co., Inc.P-6**

Message: Reference recently submitted plans for Sandra Lane

Request this item be placed on the March 1, 2005 Public Works Committee agenda.

Given the recent public discussions about wastewater lift stations in other areas of Rapid City, Lazy P-6 Land Co., Inc. is requesting the following approval.

Providing the design and construction meet current city requirements, will the city allow and accept into their system a wastewater lift station at the east end of Sandra Lane.

Funding discussions are intentionally avoided in this request. This is strictly a facility approval request without a funding commitment from either Lazy P-6 or the city.

Please call with questions. Thanks

END
