RE: Project # SSW05-1470, P1650()005Q Eglin Street Grading and Utilities Construction from East North Street to the SDDOT Facility approach, CIP Project # 50560

This is a Request for Council to Authorize Selection of Professional Consultant Services for the Eglin Street Grading and Utilities Construction Projects.

The City of Rapid City proposes to construct a new portion of Eglin Street (from East North Street to the SDDOT Facility approach). The work will include construction of new water main line, new sewer main line, new drainage system storm sewer and inlets, new curb and gutter, street paving, roadway lighting, and new sidewalk and driveway where necessary.

This proposed project is to be bid and constructed in 2006, in coordination with Exit 60.

The project currently has a total budget of \$ 1,134,000, including design and construction with easements or right-of-way acquisition additional, if necessary. Funding for the project is from State/Federal-Aid Urban Systems STP Funds, the 833 Sewer Enterprise Fund and the 933 Water Enterprise Fund.
