This form must be completed and approved by the City Finance Office prior to presenting items to the City Council and/or Committees of the City Council. This covers all items which require formal bids, currently anything over \$25,000 (except emergency and repair costs)

I. PROJECT NO.: W03 - 953 CIP No. 50318

II. PROJECT NAME: Well 12 - Stoney Creek Booster

III. Project/Item(s) Description: Construction of a combination well house and booster station along Catron Boulevard just east of the intersection of Sheridan Lake Road. The project will provide a water supply for the Hwy. 16 area, the Red Rocks area, and the Southwest area along Sheridan Lake Road. The City has received a homeland security grant for a generator for this project and has an obligation to expend funds by Oct. 25, 2005. Because of this the City may split this project into two contracts. One contract would be to pre-purchase the generator and the second contract would be for the construction of the actual facility.
